

Territory Day Community Grants

Territory Day is a chance to celebrate this incredible place we call home.

Each year on 1 July, the Territory comes alive with fireworks, concerts, and community events to recognise the day the NT declared independence from the Commonwealth Government in 1978.

This year, the Australia Day Council are calling for your help to identify those exceptional Territorians who help make the NT a great place to live!

Funding is now available to assist community organisations with Territory Day activities and events for 2021 that also promote nominations for the 2022 Australian of the Year Awards.
